

We run the technology, **you run your institution.**

One enterprise-grade platform, fully managed by Frae, so your team focuses on students and teaching, not software. Your data stays yours; keeping it all running is on us.

THE FRAE PLATFORM

- **KPI Engine & dashboards:** school health in Green / Amber / Red, daily
- **AI Assistant (included):** answers on your own data, within each user's permissions; data never leaves your instance
- **Communication, every channel:** WhatsApp, SMS, email, from one place
- **Website & portals:** school website (CMS), parent & student portals
- **Compliance, built in:** UDISE+, CBSE, NAAC, DPDP Act, RTE
- **Security & data protection:** role access, audit trail, AES-256, PII vault
- **Infrastructure, fully run:** hosting, backups, updates, M365; nothing to maintain
- **Always improving & supported:** new features at no extra cost, ongoing support

SAKSHAM FEATURES

- **Admissions & student lifecycle:** enquiry to alumni, one workflow
- **Fees & online payments:** multi-head fees, instalments, gateway, reconciliation
- **Academics:** subjects, AI timetabling, CBSE / ICSE templates
- **Examinations:** marks entry, results, bulk report cards
- **HR & staff:** records, attendance, leave, payroll prep

OPTIONAL ADD-ONS

Alumni module + portal, additional storage, extra Microsoft 365 accounts, custom domain. Add only what you need.

NO IT TEAM NEEDED, JUST ONE COORDINATOR

Name one local coordinator as your single point of contact. Frae keeps them equipped with support & ticketing access, the latest updates, and periodic training. If they change, onboarding the replacement is on us.
